Class _____

Directions: Complete the following questions while watching the movie *The Pursuit of Happiness*.

1. What are two values that you believe are important to Chris? For each value, describe one of Chris's actions that demonstrate why that value is important to him. (4 points)

Two important values to Chris were, his love for his son, and his determination, never giving up even though he was down on his luck.

2. Describe one of Chris's short-term goals (to be accomplished in less than one year). (1 point)

Get money

3. Describe one of Chris's long-term goals (to be accomplished in more than one year). (1 point)

To have an overall better life.

4. Choose three financial decisions that Chris made during *The Pursuit of Happiness* and describe the consequence that resulted. (6 points)

Decision	Consequences
Invested in those machines, which cost his life savings	He had a hard time selling the machines because doctors thought they were too expensive for little results, so he never had much money.
Didn't pay his parking tickets	He got arrested
Didn't pay his taxes	Government seized his money from his bank
